Dear Colleague,

In the name of Ms [redacted], A/Chief, Conference Interpretation, Translation Bureau, Dept. of Public Works and Government Services, I would like to express to you our deep gratitude for your contribution to the success of our Trade Mission a.k.a. «TEAM CANADA» and headed by our Prime Minister, the Right Honourable Jean Chrétien, the Premiers of our Provinces and Leaders of our Territories. Indeed, the necessity to overcome language barriers played a significant role during the visit of this Mission to Russia and Germany and was therefore the reason why such qualified interpreters as yourself were asked to work for our Delegation. Nowhere did we encounter any problems and your Canadian colleagues had only words of praise for your professionalism and sense of collegiality.

Sincerely yours,
